

College Preparatory/Work Ready Parental Curriculum Choice Letter

Dear Parent or Legal Guardian:

70 O.S. § 11-103.6 requires eighth grade students entering the ninth grade to complete the college preparatory/work ready curriculum outlined in the statute, unless the student's parent or legal guardian approves the student to enroll in the core curriculum. The college preparatory/work ready curriculum and the core curriculum requirements are attached. Successful completion of either curriculum will result in a student receiving a standard diploma.

Choosing the courses a student takes in high school is an important decision for you and your child. A college preparatory curriculum is challenging and may help determine a student's future success in higher education and the world of work.

According to the law, your child will automatically be enrolled in the college preparatory/work ready curriculum, and you do not need to do anything to enroll your child in this curriculum. However, if you choose the core curriculum, you must complete the information below and return it to the school prior to enrollment. Please contact the high school principal or school counselor if you have questions or need additional information.

As the parent or legal guardian, I am selecting the following curriculum for my student:
